

3rd annual

# Drew Poet Foundation Charity Golf Outing |

June 23, 2024 | 9:00 am Shotgun Start  
Fox Hills Golf & Banquet Center  
Plymouth, Michigan

## Awareness. Research. Cure.

This year will mark five years since Drew's passing after his battle with Ewing's sarcoma. It also marks the Foundation's next steps in our continued fight. For five years we have rigorously worked at raising Awareness, the first of the three pillars of our Foundation mission. On January 5, 2024 the Foundation announced \$34,000 to be donated to the Ewing's Sarcoma Research Fund at Levine Children's Hospital in Charlotte, North Carolina, where Drew was treated. Our goal is for this to become an annual donation to help the amazing staff at Levine push the boundaries of Research into Ewing's, with the hope of finding a Cure.

With that, we're excited to invite everyone to the 3rd annual Drew Poet Foundation Michigan Golf Outing at Fox Hills Golf and Banquet Center in Plymouth, Michigan on June 23rd. Registration and continental breakfast will begin at 8:00 am at Fox Classic. Shotgun start is at 9:00 am. Lunch will be provided at the turn, and the day concludes with a buffet dinner, raffle, and awards. The registration link is in the upper right corner of this page.

We'd like to thank everyone for their continued support of the Drew Poet Foundation and our mission. Thank you also to everyone who came out to last year's event and helped to make it such a profound success. If you have any questions or would like to volunteer, contact Julie Walkley at [dear.walkley@gmail.com](mailto:dear.walkley@gmail.com). We hope to see you out there!

Registration available at:

## About

The Drew Poet Foundation seeks a cure for Ewing's sarcoma. Our mission is raising awareness and supporting research in the hopes of finding a cure.

Ewing's sarcoma is a cancerous tumor that grows in the bones or in the soft tissue around the bones, causing pain at the tumor site. It is the 2nd most common type of bone cancer found in children, with about 200 children diagnosed with Ewing's each year in the U.S.

Our Foundation works to honor its namesake, doing all that we can to support further research into this disease with the ultimate goal of finding a cure. We continue to work towards a future that is cancer free for all.
