

Awareness. Research. Cure.

The Drew Poet Foundation seeks a cure for Ewing's sarcoma. Our mission is raising Awareness and supporting Research in the hope of finding a Cure.

We are always looking for Sustaining Sponsors to join us in our fight against Ewing's sarcoma. Sustaining Sponsors are organizational sponsors that support the Foundation year-round through annual giving and involvement.

Your generosity is what enables us to further our mission and is a wonderful opportunity to create lasting, positive change in the world of pediatric cancer care. Becoming a Sustaining Sponsor not only helps us to operate but also provides you an opportunity to expand and promote your brand.

Sustaining Sponsorship Package

\$2500/year annual giving

- Featured on the Drew Poet Foundation website
- Featured on the Sustaining Sponsors banner displayed at all Foundation events
- Featured on all Foundation communications
- Opportunity to provide a branded item at Foundation events
